AREAS OF EXPERTISE

WE ARE HERE FOR YOU

Buying and selling property is one of the biggest undertakings many of us will ever take. Whether it be buying a home or negotiating the purchase or sale of a commercial real estate property, it is important to work with trusted legal advisors to ensure that the transactions run smoothly. Acquiring a new home, business premises, or any property in the Greater Toronto Area is a significant investment, and it requires detailed knowledge of the whole property acquisition process. This process is quite intricate, and the best way to navigate it is by enlisting the expertise of an experienced real estate lawyer.

WHY HIRE US?

Woitzik Polsinelli *LLP*'s decades of experience have trained us to expertly handle residential and commercial real estate matters. We are also able to help with obtaining a title insurance policy. A title insurance policy helps to protect buyers and lenders from issues caused by defects or other issues when there is a title transfer. The lawyers and support staff assigned to you will make it a top priority to respond to your questions in a timely fashion to ensure you get the support you need. This personal approach means we can better understand your needs and provide practical solutions quickly.
